Aaronson, A. L.; Ehrlich, Norman J.; Frankel, Donald Bl.; Gutman, Arnold A. and Aaronson, Donald W.: Effective oral nasal decongestion. A double-blind, cross-over analysis. 145

Aaronson, Donald W.; Aaronson, A. L.; Ehrlich, Norman J.; Frankel, Donald B. and Gutman, Arnold A.: Effective oral nasal decongestion. A double-blind, crossover analysis. 145

Abd-el-Ghaffar, Y.; Soliman, M. Diaa-el-Din and El-Mehairy, M. M.: Complement values in bronchial asthma. 476

Acids and arlacel a, The toxicity of free fatty. M. Carolyn Hardegree and Ruth L. Kirschstein. 253

Ackerman, Marvin and Prigal, Samuel J.: Tube technique for measurement of subdermal tissue irritability to injection of a foreign substance. 414

Active sensitization of guinea pigs by inhalation of aerosols of antigen. Oscar Swineford, Jr. with the technical assistance of A. Tinsley. 28

Adol, A. D. and Polner, A.: Antibodies against immune complexes of pollen allergens. 395

Aerosols of antigen, Active sensitization of guinea pigs by inhalation of. Oscar Swineford, Jr. with the technical assistance of A. Tinsley. 28

Allergen, Ethanol, a possible. Reagan Hicks. 641

Allergenicity of alum-precipitated pyridine extract conjunctival testing with app grass pollen extract. G. Everett Gaillard, Ruth Schellin and Aimee D. Larkin. 348

Allergic disease, so-called "nonspecific" factors in. Theodore J. Haywood and John P. McGovern. 299

Allergic diseases, Emulsion injection treatment for multiple sensitivities in. Homer E. Prince. 440

Allergic diseases in freshman college students: a survey based on a predominately negro population. Prevalence of M. Nick Sherry and Roland B. Scott. 335

Allergic patients, Immunogenicity of alum-precipitated pyridine extracted ragweed pollen in. Louis Tuft, Jay Spiegelman and Herman Friedman. 552

Allergic purpura. Richard D. Snyder. (Case report) 328

Allergic rhinitis, A clinical evaluation of repository therapy in Great Britain: Seasonal. A. W. Frankland. 584

Allergic rhinitis, The effect of antihistamines on nasal smear eosinophiles in patients with. Lt. Col. Robert E. Smith, Maj. Ramon Casanova-Roig and Capt. David E. Wells. 80

Allergic rhinitis with long-acting steroid injections, a comparison of four preparations, Treatment of seasonal. Paul Chervinsky. 190

Allergist and the future of allergy, The. C. Collins-Williams. 44

Allergy abstracts from around the world. Paul F. deGara, Editor; Tatsuo Matsumura, Associate Editor. 53, 97, 163, 221, 279, 393, 520, 575, 622, 654.

Allergy, convulsive disorders and epilepsy. Bernard T. Fein and Peter B. Kamin. 241

Allergy elimination diet as the most effective gallbladder diet. J. C. Breneman. 83

Allergy, Recognition of food additives as a cause of symptoms of. Ben F. Feingold. 309

Allergy, Syncope in. Johnny A. Blue. 561

Allergy, The allergist and the future of. C. Collins-Williams. 44

Allergy's widening horizon. Paul F. deGara. (guest editorial). 614

Allpyral stinging insect antigen, Insect stings: treatment with. Louvane A. Fox. 639

Allpyral, Treatment of insect sting in children with. Edward A. Friedman, Jr. and Armond V. Mascia. 430

Alum-precipitated pyridine extract conjunctival testing with app grass pollen extract. G. Everett Gaillard, Ruth Schellin and Aimee D. Larkin. 348

Anaphylactic death from methylglucamine and sodium diatrizoate (renovist). Charles A. Shoultz, David E. Dines, Gustavus A. Peters and David M. Witten. 40
Anaphylatoxin—the rebirth of an old concept. Alfred J. Weil. (Editorial) 211
Anderson, Jr., David W.; Saperstien, Sidney; Bates, Richard D. and Barrett, Walter W.: Milk and soy formulas: a comparative growth study. 577
Animal dander hyposensitization, Observations on. Frederick R. Brown and Harvey I. Wolfe. 305
Antibodies against immune complexes of pollen allergens. A. D. Ado and A. Polner. 395
Antigen and antibody of varying character, Tissue eosinophil response to. S. G. Cohen and T. M. Sapp. 531
Antihistamines on nasal smear eosinophiles in patients with allergic rhinitis, The effect of. Lt. Col. Robert E. Smith, Maj. Ramon Casanova-Roig and Captain David E. Wells. 80
APP grass pollen extract, Allergenicity of alum-precipitated pyridine extract conjunctival testing with. G. Everett Gaillard, Ruth Schellin and Aimee D. Larkin. 348
Arlacel a, The toxicity of free fatty acids and. M. Carolyn Hardegree and Ruth L. Kirschstein. 253
Asthma, chronic bronchitis and emphysema. A plea for more cooperation and less competiton between allergists and chest physicians. Oscar Swineford, Jr. 126
Asthmatic child, Treatment of the acutely ill. C. Collins-Williams and K. M. Hughes. 117
Asthmatic children, A controlled evaluation of oral theophylline in. W. F. Taylor, S. C. Siegel, R. J. Busser, L. Strick and E. M. Heimlich. 523
Asthmatic patients: effects of an ephedrine compound, Blood pressure and pulse rate changes in hypertensive. Donald L. Unger. 637
Azar, Henry A.: Significance of adjuvant-induced plasmacytomas of mice in relation to the pathogenesis of human multiple myeloma. 293
